

## 2019/01/01 Syncbox Catalogue Pricelist

### Syncbox Media (Blank)

Syncbox Media contains no modules. So is consequently ideal for customers, who choose to customise Syncbox to their own wiring specification, to create a recessed media plate. This can act as a perfect enhanced and improved version of a traditional media plate. Syncbox media can fit 8 keystone modules, within an area 50% smaller than the traditional media plate size. Will allow a TV to be fully installed with no gap on the wall. Cover plate will hide sockets for tvs not installed.

**Dimensions: (HxWxD) 90x155x78mm**

**Contents: Syncbox, White Cover Plate, Installation Box. Fixing Pack, Plaster Protector. ID Stickers & Instruction Manual.**

€35.00

### Syncbox Standard (1 x Power/2xCAT6/1xTV)

Synbox Media with 1x Angled Power Socket, 2 x 2 Port Keystone Module 25mm, 2 x CAT6 keystones, 1 x TV (RF) keystone and 1 x Blank Keystone.

- Syncbox is a hidden socket system which **can be configured to any specification** for your home's technical automation requirements including TV, Media, Audio or Power.
- **Fully Recessed TV:** Use Syncbox behind your TV to hide & recess all power and AV connections to the screen, for a perfect install. **Very important for TVs installed at 1m+ height using thin mounts – the syncbox system will allow the tv to be fully mounted with no gap on the wall.**
- **Wall plates that will hide the sockets** when the tv has not been installed. Very important for TV sockets at 1m height.
